

# Word for 2009 by Peter Kumar

*www.endtimeforerunners.org*

The Lord will shake the whole world during 2009 and nation by nation will experience difficult times in some way of another. God will be faithful to those who trust him and serve him. In many nations local churches will experience both revival and opposition. In some nations persecution will escalate, God is calling the church to ne more than conquerors.

## United States

1. Terrorism attempts will be exposed against America even as President Bush leaves and President Elect Obama steps into office.
2. President Obama will be in thick waters within four months of being sworn in due to many uprising issues between himself and his leaders.
3. The economy will be restored in the next 12 months to 18 months to be repaired.
4. Many hidden matters will exposed in the matters concerning; foreign policy, disbursement of finances and immigrant policies. Racism and violence will increase.
5. The government will be forced to nationalize several institutions including a few banks.
6. Job opportunities will increase but many migrants will begin to move out of United States. Several alternatives fuel projects will be set across the country.
7. Many foreign investors will invest in USA in oil, natural gases and minerals.
8. USA will be cut off from the Israel-Palestine peace plan. Many ties between the United States and Israel will be severed.
9. By the end of the year most of the soldiers will be called back from Iraq.
10. The United States needs to prepare afresh against terrorists activities and also while Russia will rise against the US too.

## Canada

1. Canada will recover from the economic crunch within the next six months.
2. The Canadian dollar will grow stronger than the US dollar.

3. Real estate will soar in Canada.
4. Canada will slowly begin to lean on Europe.
5. Revival will become very evident all across Canada.

## Australia, New Zealand and the South Pacific

1. This part of the world will be well established economically with more and more opportunities for growth.
2. Churches will grow, more and more people will return to the church. Australia will rise up economically and in revival.
3. Many people will move away from Britain and the United States to Australia for better opportunities.
4. The Spirit of God will move mightily in New Zealand and many young people will turn to the Lord.
5. There will be huge tidal waves in Sydney and Perth. New Zealand will experience more earth quakes and hurricanes.

## Europe

1. There will be more unrest all over Europe. Unemployment, racism and violence will increase in France, Germany and Spain.
2. Some nations in Europe will be more established than others. So nations will agree to merge together for political and economic reasons. Currencies will also merge.
3. Russia will become very powerful and will become a threat to the USA.
4. Russia, India and China will begin to have more trade agreements.
5. Europe will begin negotiations with some Islamic countries regarding peace between Israel and Palestine.

### Africa

1. Millions will suffer in the African nations for lack of food, drought, pestilence and sickness.
2. Dictator style of leadership will continue in certain nations.
3. A federation of African leaders will rise up. It will eventually be an official body.
4. Revival in local churches will continue to break the power of Islam.
5. Churches will explode in numbers in nations like South Africa, Kenya and Nigeria. Thousands and thousands of people will return to the church.

### Asia

1. China, India and Pakistan will become super powers. They will build huge armies for war.
2. The relationship between India and Pakistan will become more hostile leading to an up rise of the Islamic spirit not only in Pakistan but also other nations in the Middle East.
3. Nations like Philippines, South Korea, Vietnam, and Indonesia will make huge leaps in economical growth. They will have networks with the Western nations.
4. Reduction in IT outsourcing from the West will affect India in a significant manner. The economic slump will begin in the IT industry.
5. Nations like India, Thailand, Philippines, Vietnam, and Cambodia will become food banks for other nations.
6. Persecution for Christians will increase in nations like China, India,

Sri Lanka and Indonesia amidst huge harvest of souls.

7. Nations like Vietnam, Thailand and Indonesia will open doors for the gospel.
8. Political upheaval will rock nations like Myanmar, India, Pakistan and Sri Lanka.
9. Many nations will work towards curbing the activities of terrorist groups and their networks.

### The Middle East

1. Great efforts will be made to create peace between the Middle East and other nations like the USA as well as Great Britain.
2. Hatred against Israel will increase amidst nations in the Middle East.
3. Many businesses will begin to invest in the USA, and many will even purchase institutions in the USA.

### General

1. Microchips will become part of many travel and communication modalities.
2. Due to global warming, the weather patterns in many nations will change. Some nations will experience unusual snow fall, even during the summer time.
3. Research into living on planets will increase and plans will be made to set-up residential areas in space.
4. Many nations will pioneer the production of alternative fuels for the use of vehicles and power.
5. There will be unusual sightings in the skies.
