## The SHIFT

Dear Partners and Friends,

We would like to thank you for all your prayer and support for our ministry. We continue to pray that the Lord will bless you and make you a great blessing to multitudes this year.

The Lord has been speaking to me about the "Shift" he wants to create in our lives - and this is our time to Shift into what He has for us.

*"Now the Israelites settled in Egypt in the region of Goshen. They acquired property there and were fruitful and increased greatly in number." - Genesis 47:27*

Joseph's brothers and their families were richly blessed amidst the season of severe famine. The Shift had taken place in their lives. They had to make it happen in their lifetime for themselves as well as their families. I wish to share a few thoughts about the Shift with you all.

### What made them understand the Shift?

1. They saw that God moved Joseph from the prison to being in a place that allowed him to receive the entire harvest of Egypt. They believed that if it could happen to Joseph it would happen to them.

2. They saw how God created a position for Joseph,

*"Then Judah went up to him and said: "Pardon your servant, my lord, let me speak a word to my lord. Do not be angry with your servant, though you are equal to Pharaoh himself." - Genesis 44:18*

While he was still in prison; God also created an abundance of harvest for Joseph to possess. They believed that if God did it for Joseph he will do it for them.

3. They understood that God made Pharaoh recognise Joseph's special abilities, and hence made him in charge of his nation.

*"So Pharaoh asked them, "Can we find anyone like this man, one in whom is the spirit of God?" Then Pharaoh said to Joseph, "Since God has made all this known to you, there is no one so discerning and wise as you." - Genesis 41:38, 39*

4. They had to believe that God will move Pharaoh's heart to do the

*"and the land of Egypt is before you; settle your father and your brothers in the best part of the land. Let them live in Goshen. And if you know of any among them with special ability, put them in charge of my own livestock."  
- Genesis 47:6*

### How did they make the Shift?

*"Then he remembered his dreams about them and said to them, "You are spies! You have come to see where our land is unprotected." - Genesis 42:9*

1. They needed to believe that Joseph's dream and revelation was true. Although, initially they resisted the revelation and put Joseph in the pit; they now had to embrace the revelation in order to make the Shift.

2. They had to build their faith to receive everything God had in store for them during their visit to Egypt. Their first visit to Egypt was to beg for food, while the second visit to Egypt was to prove their innocence and integrity. Their third visit was to make them possess the increase God had kept for them. Their faith grew in every visit.

3. Being God's people they had to make a Shift to receive abundance while the entire nation was having a great famine. They had to choose and believe abundance in the face of famine. They had to make the Shift. God honored their faith and brought favor through Pharaoh.

We desire and pray that God would open your eyes to see the things He has prepared for you; irrespective of your circumstances.

We desire that you will be bold to make such a Shift in your life now to possess God's abundance.

God bless you richly,

Love,  
Peter Kumar.
