

GOD will find you

Dear Partner,

I want to personally thank you for your love, prayers and support for me and the ministry. Some of you are sowing generously into the ministry and I am able to travel to many nations with the message of revival. People are praying earnestly for revival.

When people are looking for God
God is looking for people to work with Him.
Let us look at Gideon.

"The angel of the LORD came and sat down under the oak in Ophrah that belonged to Joash the Abiezerite, where his son Gideon was threshing wheat in a winepress to keep it from the Midianites." - Judges 6:11

Circumstances can isolate you

God finds you

Gideon was alone working with the little he had. He was afraid that he will lose what he has. While Gideon is in hiding God finds him.
God will find You.

You are still strong

God finds you

"When the angel of the LORD appeared to Gideon, he said, "The LORD is with you, mighty warrior" - Judges 6:12

God calls Gideon a mighty man. God sees Gideon as a strong man, even though he says he is weakest and least. Yes, Gideon was having his weakest moments because of his continuous losses, which became a huge power of decrease.

Your losses do not make you weak
They make you strong
God says we are strong

You can be sent by GOD

God is with you

God calls Gideon a strong man because GOD can be with him and work with him. How can God and Gideon work together? God wants Gideon to know HIS plans.

God gives the revelation and interpretation

GOD gives you the victory

One question which comes into everyone's mind is, "How is GOD going to do it?" Most of us want God to do something about our circumstances. However, God is keen that we do what HE says to take our victories.

- 1) God sends a prophet to prepare their hearts.

"When the Israelites cried out to the LORD because of Midian, 8 he sent them a prophet, who said, "This is what the LORD, the God of Israel, says: I brought you up out of Egypt, out of the land of slavery." - Judges 6: 7 & 8

- 2) God directs Gideon as to how he should recruit the men for the victory.
- 3) God gives direction about the clay jars and torch.
- 4) God wants Gideon to hear about the dream and the interpretation in the enemy's camp
- 5) God wants Gideon to take the lead.

I have been tremendously challenged by the thought of working with GOD. We are strong in the eyes of GOD.

Let us become stronger.

Your Brother in Christ,
Peter Kumar.

Testimony :

Abridged from an email From Natalie in Srilanka:

...I am writing to let you know that I have completed my LLB. Even though the finals were very tough, God sustained me and saw me through...I begin work next week... Aunty Geeta prayed over me as I came home and cried on 2 days because the papers were so hard. I was in despair and she prayed over me and uplifted me out of that depressing state. She told me with faith that God will do a miracle and that's what it is...and out of the 7 who took it, only 2 passed, including me. I know my results are the outcome of the miracle of prayer.

From Rachel in Loiusiana:

My sister had come with me to Lake Charles and my sister brought a friend with her, after the service she asked Prophet Peter to pray for her for a job. He told her that he saw two jobs coming soon. About a month later she started working. The job she has is a real good job.
