- God will pour out His Spirit of repentance over USA. Christian leaders and churches will unite together to call upon the name of the Lord for REVIVAL.

## Praying Into 2007

We need to specifically pray for 2007 because while some nations step into greater favour from God some will have multitudes die through extreme weather, natural disasters, pestilences and peculiar diseases.

### Some of the more significant matters before us may be:

1. Huge expression of rage, anger and hatred in the Middle East, especially Iraq against America.
2. We need to specifically pray for protection over the lives of President Bush and Pope Benedict
3. 2007 will be the beginning of unusual signs in the sky.
4. We will see the Holy Spirit moving around the world particularly in China and India in 2007.
5. God will super naturally bring peace in the war torn nation of Sri Lanka.

## Around The World

- Islam will grow rapidly in many European nations.
- Missionaries from Africa and Asia will preach the gospel in Europe with signs and miracles.

### Asia

- The Gospel will be preached with greater fervour all over Asia by indigenous apostles and evangelists.
- There will be a huge harvest in India, China, Vietnam, Singapore and other nations.
- While multitudes turn to the gospel many will die for the Gospel.
- Asian products and businesses will begin to dominate the western world.
- Islam will begin to lose its hold in Asia.
- Communist nations will begin to recognise the church and its role.

### Middle East

- There will be a great effort from both Israel and Palestine to promote peace between each other until trouble comes to Israel from another source.
- America will slowly move out of Iraq. Democracy in Iraq will still be a Dream – yet to be realised.
- Many other peace treaties will be propagated all over Middle East.
